

Kathleen Conover Workshop

October 14, 15, 16, 17, 2019

Kathleen Conover, nationally recognized artist and workshop Instructor, will present her signature 4-day workshop, “**CHAOS to ORDER**” at the Glade Clubhouse on October 14, 15, 16, 17, 2019. Word of mouth has already generated a great interest on the part of DWS members and non-members.

Master Artist Kathleen Conover exhibits her work, juries exhibitions, gives demonstrations, and teaches in-depth workshops. She has been juried into more than 200 exhibitions, receiving national and international recognition for the vision, innovative techniques, and fearless expression that give rise to her unique designs. Painting with openness to her subject matter, she is guided by intense observation and deep personal reflection. The result is rich symbolic layers of literal and figurative design.

Kathleen’s artistic skills have been recognized by the following national and international organizations:

- American Watercolor Society - Signature member and Dolphin Fellow
- National Watercolor Society- Signature member
- International Society of Experimental Artists- Signature member
- Watercolor USA- Honor Society member
- Transparent Watercolor Society- Master Artist

Kathleen says: Starting a painting with color, texture, gestural marks and layers may seem like “chaos,” but it delivers vital energy that is both fun and intuitive. Great design and composition are the elements that bring “order” to the rich start and turn your painting into an attention-getting and expressive finish. Applying strong design and compositional skills is the focus. Beginner or advanced, you are encouraged to discover and explore your unique expression and personal imagery in realism, abstraction or non-objective.
