**Second Tuesday  
November 10, 2015**

**The Glade Clubhouse  
10:00 a.m. until 12:00 p.m.**

**Demonstration: "Painting Seascapes  
from Start to Finish" with  
Annie Strack**

*I paint the places  
that I know, places  
that I love. I want  
you to step into  
my paintings and  
experience these  
places with me....I  
want you to not  
just see a painting,  
but to feel the  
ocean's wind in  
your hair, taste  
the salt spray on  
your lips, and hear  
the seagulls calling  
you.*

**- Annie Strack**

**The recipient of hundreds  
of awards, Annie Strack is  
internationally renowned as a  
contemporary master  
of marine painting.**
