“Creating Positive Shapes Using Negative Painting”

Learn how to expand your imagination, and paint negatively to create a positive image. Join us for some fun and enjoy the freedom of painting abstractly using three analogous colors. Beth Collard will walk us through the steps to create a painting by sculpting out background colors to reveal an entirely new positive image.

Bring your paints and quarter sheets of watercolor paper. You will need to secure your paper to a support board with tape or staples. A 1-inch or larger flat brush, a #14 or larger round brush, sea salt, table salt, and saran wrap and other items that might create texture in your under painting are essential to this process.

~ Private Critiques Available at All Second Tuesday Meetings ~

Bring your unfinished or completed works for private review by a DWS Signature Member. Helpful guidance and insight will be provided. Please remember that those items presented for critique may not be submitted to the DWS Signature Jury.
