“Knowing and Growing... Artwork Critiques”

We hope you will participate in this wonderful opportunity to discover how others see your paintings. Second opinions always provide insight into the areas of strength and where change might be beneficial to the success of the painting. Bring a painting or two, or three to share with your peers. Your paintings do not have to be completed.

Everyone is encouraged to participate in assessing all artwork. The aim is to assist you in developing your own critique skills so that you can assess your art with a more educated eye... Or if you are experienced, you can share your knowledge and experience with others. And, it will be fun and educational to see what others see in our creations! It's beneficial to keep in mind that the following are important stepping-stones to strong paintings.

Reviewing the ever so important *“Elements and Principles of Design”* prior to the critique would be beneficial.

Elements of Design:

- Line
- Shape
- Form
- Color
- Value
- Texture
- Space

Principles of Design:

- Balance
- Movement
- Rhythm
- Contrast
- Emphasis
- Pattern
- Unity

Looking forward to seeing everyone... lots of fun, food + \$15.00 Blick Gift Card as door prize.
