The Glade Clubhouse

10:00 a.m. – 12:00 p.m.

“Gestural and Figure Drawing”

The term "gesture drawing" means somewhat different things to different people, but the defining characteristics are that the drawing is done quickly and that its purpose is to capture the essence of subject, rather than to present a realistic rendering of details. The speed and style of gesture drawing allow you to effectively capture motion and to sketch out the general character of something in motion (people, animals, etc.).

We will use a visual presentation, from which you will have the opportunity to draw figures in a variety of poses / motions.

Bring your pencils and sketchbooks.

Beth Collard will facilitate the discussion and planned activities.
