RAIN DATE – September 18

Plein Air Paintout - Lewes, DE

If you would like to try your hand at plein air painting, join us on September 11th in downtown Lewes. Plein air painting is a great way to develop your sense of color and light in the great outdoors.

We will meet at 9:30 a.m. at the Historical Society Center, 110 Shipcarpenter Street. This is a large area with several historical buildings, but you can choose to paint anywhere in Lewes, including the canal.

Remember to bring your supplies and the usual, water, bug spray, suntan lotion, hat, paper towels, and camera. Either bring your lunch or we will eat in Lewes around 1 or 1:30 p.m.

To find out more information and look at a number of photographs of the area, please go to www.historiclewes.org.

If you are coming, let Marjorie Wuestner know by sending an email to delawarewatercolorsociety@gmail.com.

Hope to see you there.
