

**DELAWARE WATERCOLOR SOCIETY PROUDLY PRESENTS  
A FOUR-DAY WATERCOLOR WORKSHOP WITH**

**TOM LYNCH**

**OCTOBER 10-13, 2017**

**9:30AM – 4:30PM**

**“WATERCOLOR SECRETS REVEALED”**

This in studio workshop offers daily demonstrations, positive critique sessions, detailed explanations of how's and why's followed by lots of individual attention and help. Tom's well planned teaching style, enthusiasm and energy promise to enhance your skills and re-charge your commitment to watercolor.

Tom's objective is to show the vast range and flexibility of watercolor. You will learn new techniques; how to plan for success; build a successful painting; and to put drama, emotion, and conviction into your art. This award-winning artist will show you how to push the limits of color, contrast and light. Tom likes to put fun into the process of painting. He has an organized program, with lots of visuals, that sets goals for each day and sees that each student has an example and understanding of that day's lesson.

Tom's distinguished credentials include exhibitions and awards in Paris and across the U.S., featured artist at four U.S. Opens and numerous PGA tournaments, author of five books and host of a successful PBS series on watercolor. He has been a popular international workshop teacher for over 25 years.
